Hong Kong Packing Equipment Centre Ltd. is trading firm located at Hong Kong. We have imported high quality products from Japan, Europe, South East Asia, China, Taiwan and etc. to contribute to our customer's development. Our main customers are Bread Industry, Confectionary Company, Food Processing Company, Supermarket, Restaurant, Food Catering Company and etc.. We have business with local company and Japanese company located in Hong Kong and China.

We have 5 engineers for machine maintenance, so we can support our customers after machine installation by ourselves in Hong Kong. And we have few engineers in Guangzhou, China.

So we can support our customers in China, too.

We have imported the goods from Japan by container every week. So we can meet your requested delivery date promptly and our customers can save shipping cost.
